| |
|--|
| |
| |
| |
| |
| |
| |

*The following utilities have been test pitted, located, and identified (Digging authorization is subject to resubmission if utilities require re-marking and re-test pitting due to removal or disturbance of identifying markers)

Signature of Contractor: _____ **Date:** _____

FOR OFFICE USE ONLY

Signature of Inspector: _____ **Date:** _____

* MAA/FAA and their employees and authorized agents are not liable for accurately identifying or locating any or all utilities. MAA/FAA sign-offs do not relieve the Contractor of responsibility for locating and protecting all utilities near the work. Contractor should use extreme caution for all underground work; cutting or damaging utilities could result in, among other things, disruption of service at the airport.

Name of Inspector: *Print* _____ BP/IP/ST Number: _____
 Date Application Received: _____
 Date Application Approved/Denied: _____
